CASE STUDY

About Antara Housing Society

Senior Citizenship for us is about seniority and freedom. One such world of freedom is Antara Noida for Senior Living, a retreat of international standards at Sector 150 near Noida Expressway. Spread over wide acres of land, surrounded by greens and pollution-free environment throughout the year Antara Noida Sector 150 brings to life a pleasing and deserving way of living for the senior citizens.

Customer Requirement

- They were looking for intercom solution IP PBX with 200 Extensions with future upgradability of 500 nodes.
- Since the builder gave the fiber connectivity, So they want to go with Gpon technology.
- For marketing & sales room operator console phone.
- System should be compatible with Gpon Technology.

Solution Offered

- We offered Grandstream UCM6302 by meeting customer requirement with 200 extensions and can support upto 500 IP Extns, SIP built-In.
- We configured UCM6302 server with huwai gpon box where it has 1 lan, 1 fxs, tv port, 1 wan network on one side and interface with the user on the other side.
- Added features 25 participants audio conference bridge built in, complete UC application, voice logger.
- In UCM6302 we have built in features like 5 level IVR, CDR, voice mail to email.
- For operator we gave GRP2615 with GBX20 where it has 40 BLF Keys, for receptionist, from that she can directly press blf key to desired Extensions.

Challenges Faced

Competitors like Avaya, Siemens are in race and Customer was satisfied with Grandstream.
